Kiss Me Kate

We open in Venice

Why can't you behave?

I'm a realistic actress

"Kiss Me Kate", what a show. Sold out both nights; standing room only. Lots of memories ... "Boys have to wear tights?", "Mrs. Keller — should I shave my legs?", "Look at the Rose, John!", "Go, Maurice, go!" "Mr. Beyrent — we can't do the harmony", "Help, Mrs. Gonnella — which foot goes first?", "Stu — can't you keep your bloomers on?", "Where's Chic?", subs for lunch, subs for dinner, Armenian Choir, Mr. B's coffee machine, "The snow has to stop — we can't do a show on Sunday!", "I'm your mother until the show ends", cast party at Pauline's ... and many more. It's all over until "another opening, another show".

Five minutes till show time.

I'd hate to do something to such a pretty face.

Look Mrs. Keller — we did it!

Much ado about nothing

Elvis!

The first few acts of the Gong show ran as smoothly as could be expected until disaster struck when G.T.O., doing their rendition of "Don't Go Breaking My Heart", found themselves on stage without any music. The stage was soon converted into a shooting gallery with the performers as targets, and marshmallows along with an occasional egg as ammunition. Despite the danger the show continued with such acts as the riot-causing Zinc Alice, The Muppets, the Cream Machine, discoing werewolves, dancing eggs and Elvis Presley who won first prize. To many the show was a failure, a total monument to poor planning; to others it was an evening devoted to laughing with and at fellow classmates; yet to all it signified the beginning of the "Beautification of the School and Grounds Week".

As expected, the Boy's Tennis team coasted through the Middlesex league finishing with a 12-1 record while racking up impressive victories against rivals Wakefield and Lexington. Wrapping up a fourth consecutive League title, the Sachems prepared for the Eastern Mass Tournament.

Winchester, last year's State Champs, made it to the Semi-finals, but lost to Needham by a 3-2 score.

As far as the team members are concerned, Rhys Thomas, Dipak Khaund, Nick Julian and Paul Simmons will be sorely missed, considering the tremendous success they have enjoyed en-route to capturing the Middlesex, EMass, Mass, and New England Crowns.

Boys' Tennis

Girls' Tennis

The Girls' Tennis team served the school well this year. They aced their opponents more often than not, ending with an 8-5 record. Under the guidance of Coach Harvey, the untried group came out winners against some of the toughest teams in the league. Libby White was the only returning Letter winner, but Beth Noble and other outstanding players showed great spirit and determination. By hard work and talent, the girls brought off their successful season.

Memories include: Mrs. Taber's lemonade jug ... Dixie Riddle cups ... Lobster's match ... Don't worry, it's only a little dent ... Let's go out to dinner.

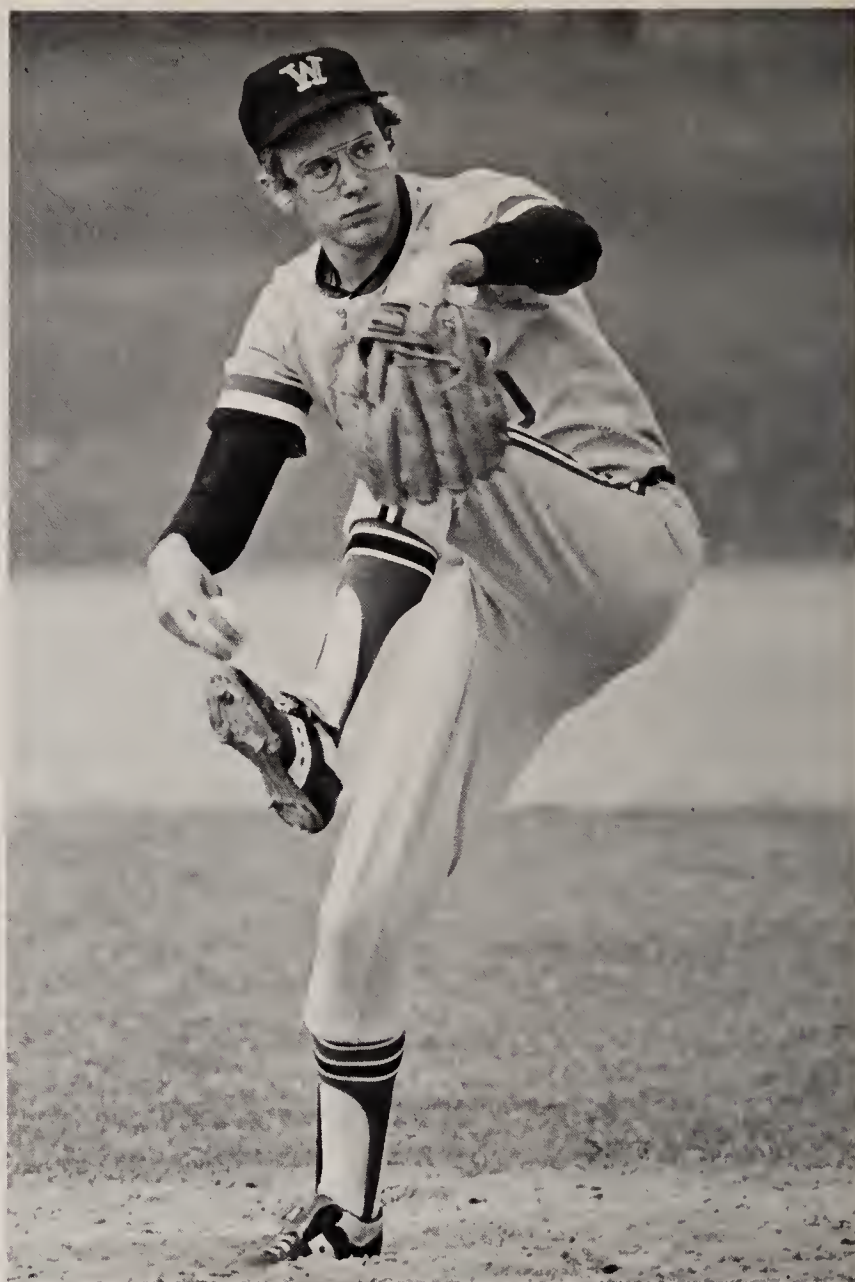

First row: Diane Piantedose, Lisa Wilder, co-captain Beth Noble, co-captain Libby White, Maria Fitzgerald. **Second row:** Renee Skeehan, Lisa Mellili, Terry Bergin, Cathy Taber, Delaine Hudson, Mindy Melzar. **Third row:** Coach Harvey, Beth Kingsbury, Sallie Houllahan, Zeynep Taspinar, Veronica Karp, Linda Houllahan, Marissa Gullino, Lisa Lavey, Emily Gibson.

Baseball

The Baseball team had one of the most successful seasons in years. Finishing with a 12-6 record, the Sachems tied for second in the Middlesex league and earned a spot in the State tourney. Led by tri-captains Don Allard, George Casey and Mark McGoldrick, explosive hitting and steady pitching turned around last year's 6-12 disaster.

Casey's antics, Drive-ins, and Rick Wise? Meats, Youngold, Goldy, Landry-Landry, Sublades and Frank's big night. 1st team All-Stars to Don Allard, Reilly Atkinson and Paul Medwar. Don was also named MVP. of the team and league. "Atta boy, Europa" Mr. Eydenberg announced his retirement. We're glad we gave him a winning season and thank him for years of coaching. Finally, we sure as hell had 'em in Stoneham.

Kneeling — R. Atkinson, F. Vozzella, tri-captains: D. Allard, M. McGoldrick, G. Casey, P. Medwar, G. Surabian. **Standing** — Coach Eydenberg, W. Strazzullo, R. Pearl, E. Pratt, G. Tedesco, M. Aylward, W. Sizemore, D. Guarnaccia.

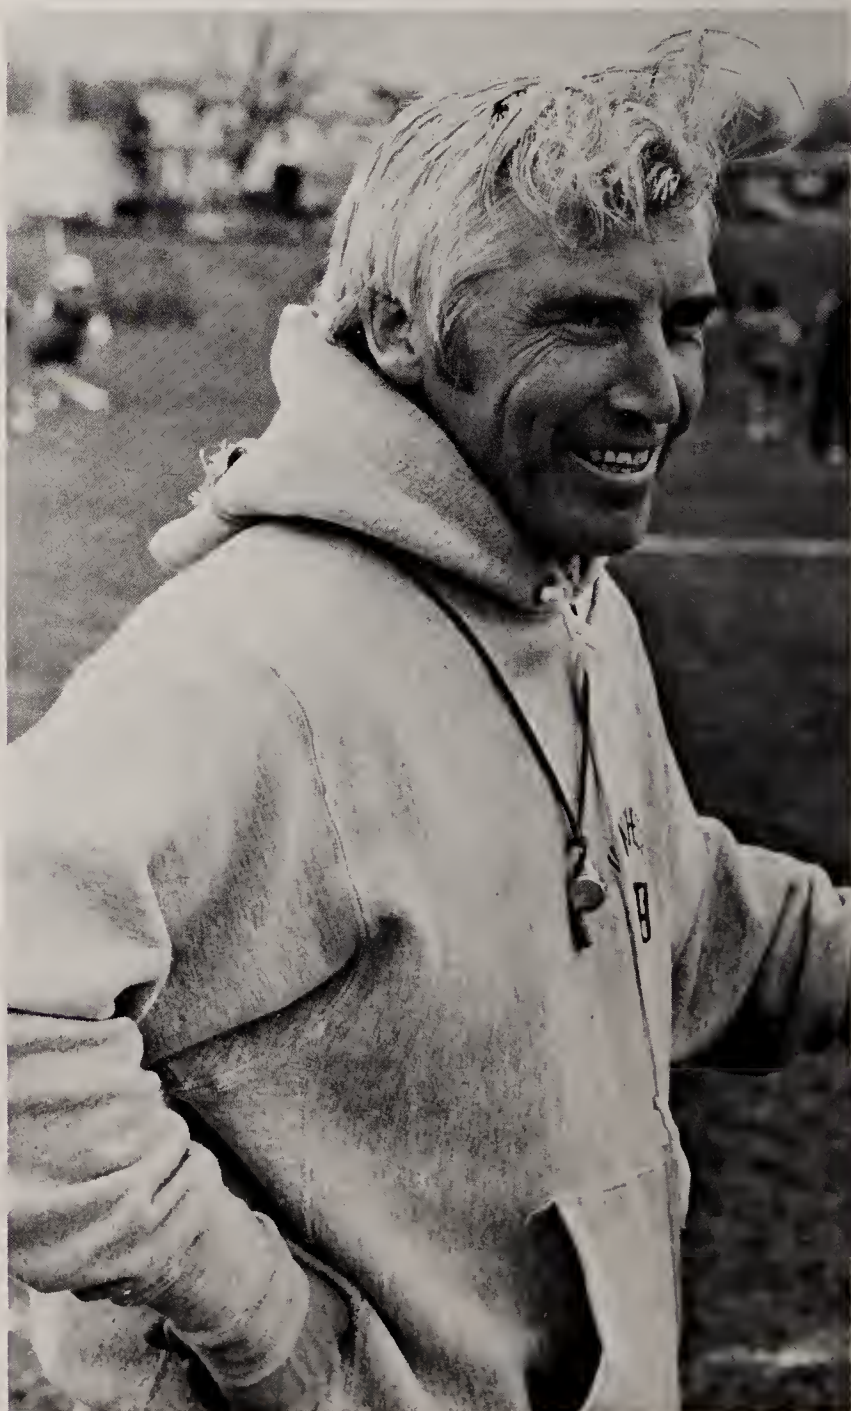

Softball

6-12 record, JV 5-8 record. We'll always remember: Brown spot, 10-8 come-from-behind over Wakefield, Miss Rosazza's surprise party, steal — I hate these RED uniforms, Holly's knees and her crutches on the bus, small early morning breakfasts at McDonald's and Dunkin' Donuts, "You guys, that's three!", Holly's diving catches, Kathleen's seven strikeouts and NO WALKS! Bitser's smash up the gap, "Where's Maura?" "She's sunbathing", Lisa's game saver in Wakefield, Mary-claire's triple over centerfield, Diane and her green water, Barbara J's unassisted double plays, Toni's mouth "ya lousy", Barbara R's bunts down the line, Kelly's leaping catch at Watertown. Best wishes to the departing seniors and good luck to next year's team and co-captains Kelly and Kathleen. Many thanks to our two excellent coaches — Miss Rosazza and Mrs. Rufo. It was a memorable season. Extra special thanks to Miss Rosazza for everything and we'll miss you in '79.

Golf

Although the Golf team did not have a winning record, they did have a few good times. John McPhee at the States? Richard Boland and John Forbes 3 up with 3 to go. Albiani the number one man broke 40 once, and Richard Boland captain of the varsity squad took the low score with 38 at Burlington. John Forbes had the best record on the team with 4-3-2 record. We can't forget the rough rider — Joe, the Boo's and out with Richie! Could not have made it without the Boo Brothers.

From left: J. McIssac, D. Seymour, R. Lenoard, J. McPhee, R. Boland, J. Forbes, J. Albiani.

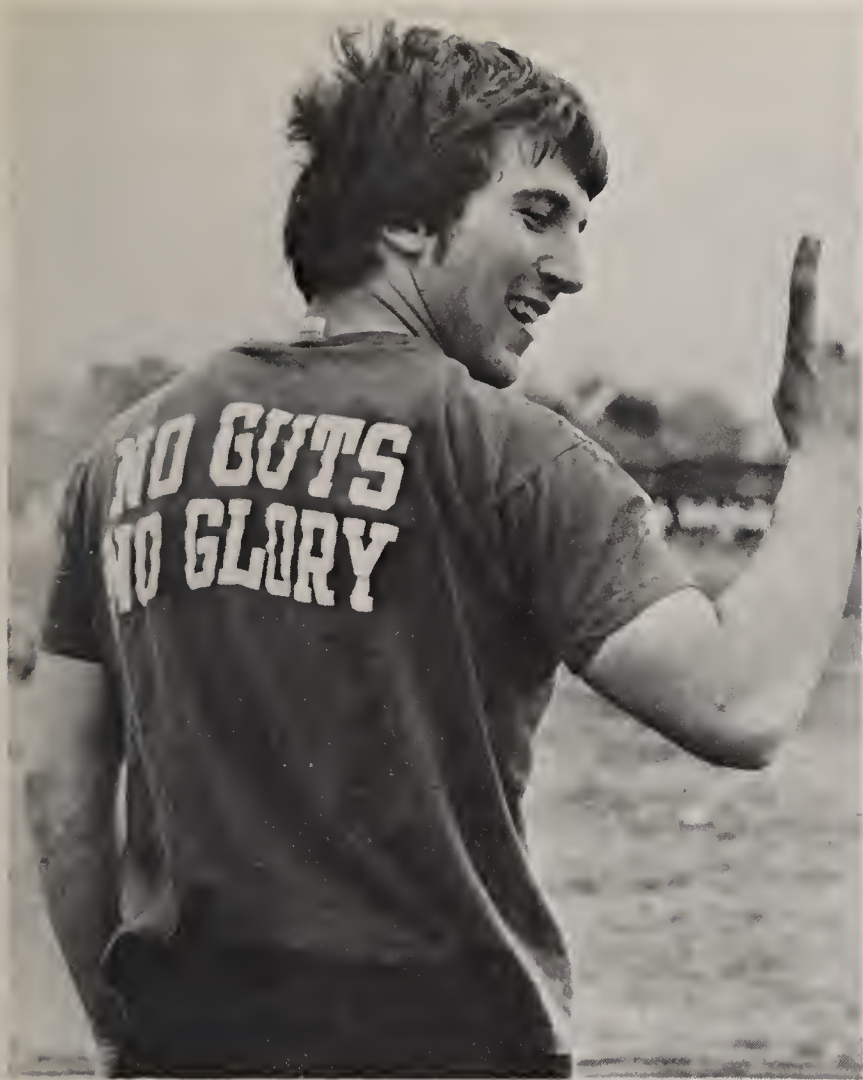

Track

5-4, quality, but not quantity, is what hurt the Sachems the most this year. The track team took first places in 100, 220, 440, 880, mile, mile relay, 4/110 relay, pole vault, shot and discus, high hurdles, 330 low hurdles, in virtually every meet. The season saw six league champions. Brian O'Connor for the shot put and discuss, Peter MacDonnell for the pole vault, Scott Farrar for the 100, Andy (Buzzard) Wilsack for the mile, and Charlie Larkin for the 400. Charlie set a new league record with a remarkable time of 49.6.

Coaches Marshall and Kline saw many of their athletes place at the state meet. Charlie Larkin, the team leader, won the 440 at the states in a hard fought race. The 4/110 relay made up of Scott Farrar, Terry Cordova (STBC), Timmy Morgan, Mark O'Neal took third. Scott Farrar took third in the 100 yard dash with a time of 10.2. Timmy Morgan, nabbed fourth place in the high hurdles. Brian O'Connor, expected to take first in shot and disc had an off day, managing only sixth in both events. The highlight of the states was Peter McDonnell when he pole vaulted 12 feet, 6 inches, breaking the school record.

Next year's track team is looking for help from upcoming seniors Ed Kirkpatrick, Scott Farrar, Andy Wilsack, and Jim Wilber. Underclassmen hopefuls are Ken Kirk and Donny MacMillan.

Class Night

The first of June was the beginning of the end; one of the last times the Class of '78 would be united. Class Night began with a buffet dinner in the cafeteria and for once, it didn't seem to be the WHS cafeteria food that had been part of noontime dining for the past three years. After everyone had their complete fill, the Seniors moved into the auditorium for a presentation by the class officers, and the yearbook dedication to Mr. Provinzano. Superlatives that purposely missed the yearbook were given to the recipients. The Academy award resulted in an impromptu performance by "Elvis". Following the dedication and a warm acceptance speech by Mr. P., came the time to receive the long-awaited yearbooks. "Looka this picture!" and "Will you sign my book?" filled the air as the Class of '78 departed from the High School for the last time.

WINCHESTER PUBLIC LIBRARY
WINCHESTER, MASS.

Good morning yesterday

Left 6/11

You wake up and time has slipped away

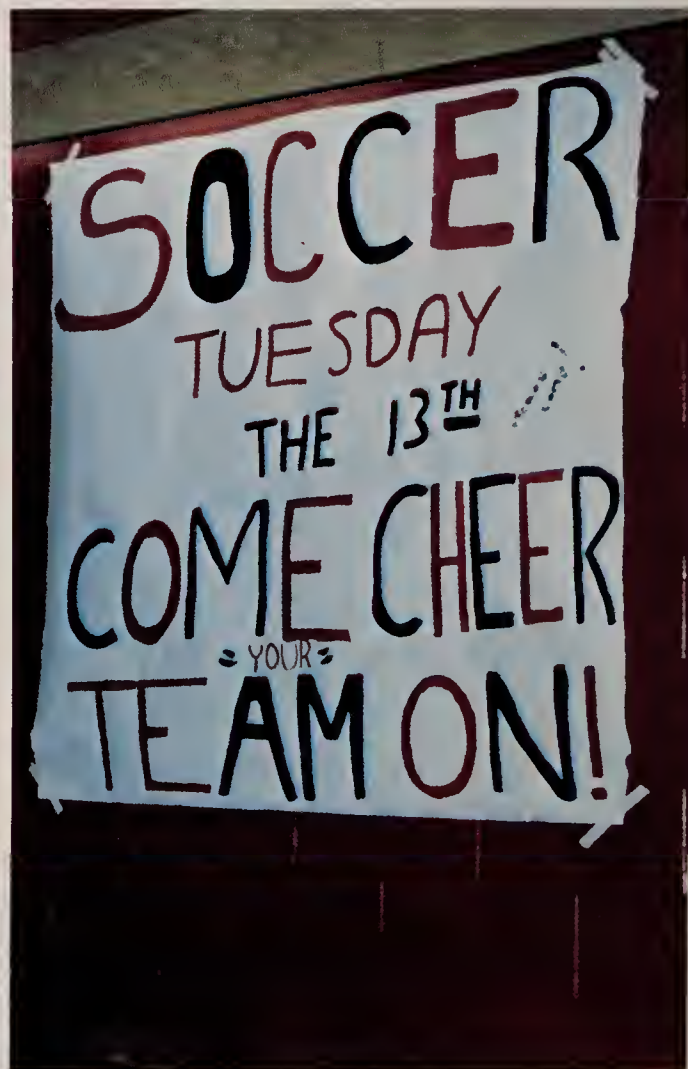

And suddenly it's hard to find

The memories you've left behind

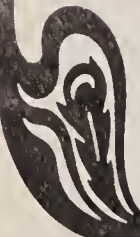

The laughter and the tears

The shadows of misty yesteryears

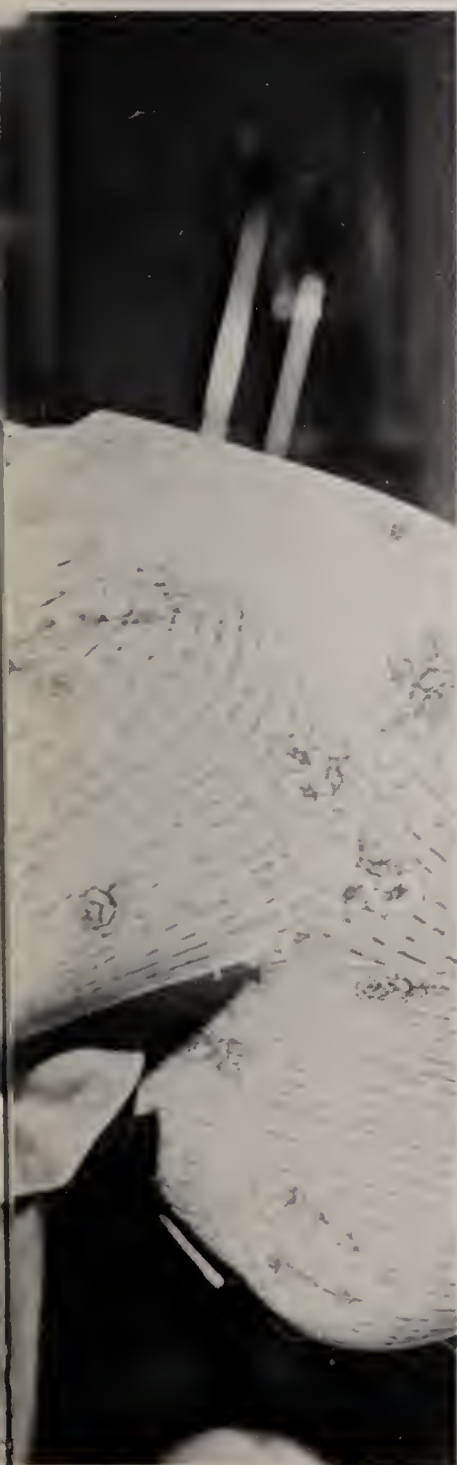

The good times and the bad you've seen

And all the others in between

Reach back for
the joy
and the sorrow

Put them
away in
your mind

For memories are time that you borrow

To spend when you get to tomorrow

Here comes the setting sun

The seasons are passing one by one

So gather moments while you may

Collect the dreams you dream today.

Our Inspiration

They have taught us a lot. Sometimes we do not even care what we learn, but isn't that the reason that we come? Thanks for all the knowledge and the understanding you gave us when we could not get an assignment in on time. Thank you for all the time you have spent caring about our understanding. You have inspired us to learn and to gain knowledge and understanding of the world. You have motivated many of us to go on to further education. We the Class of 1978 thank you for caring.

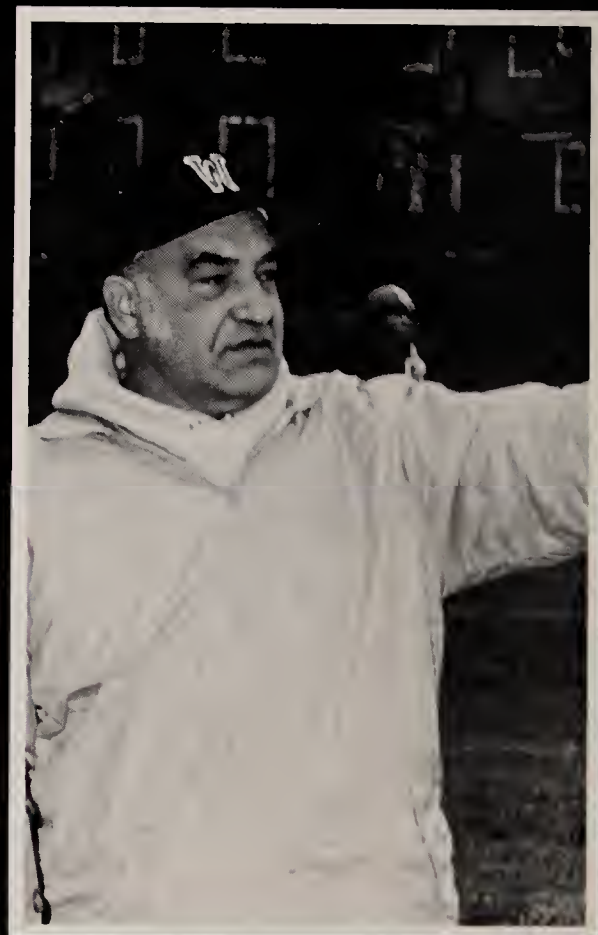

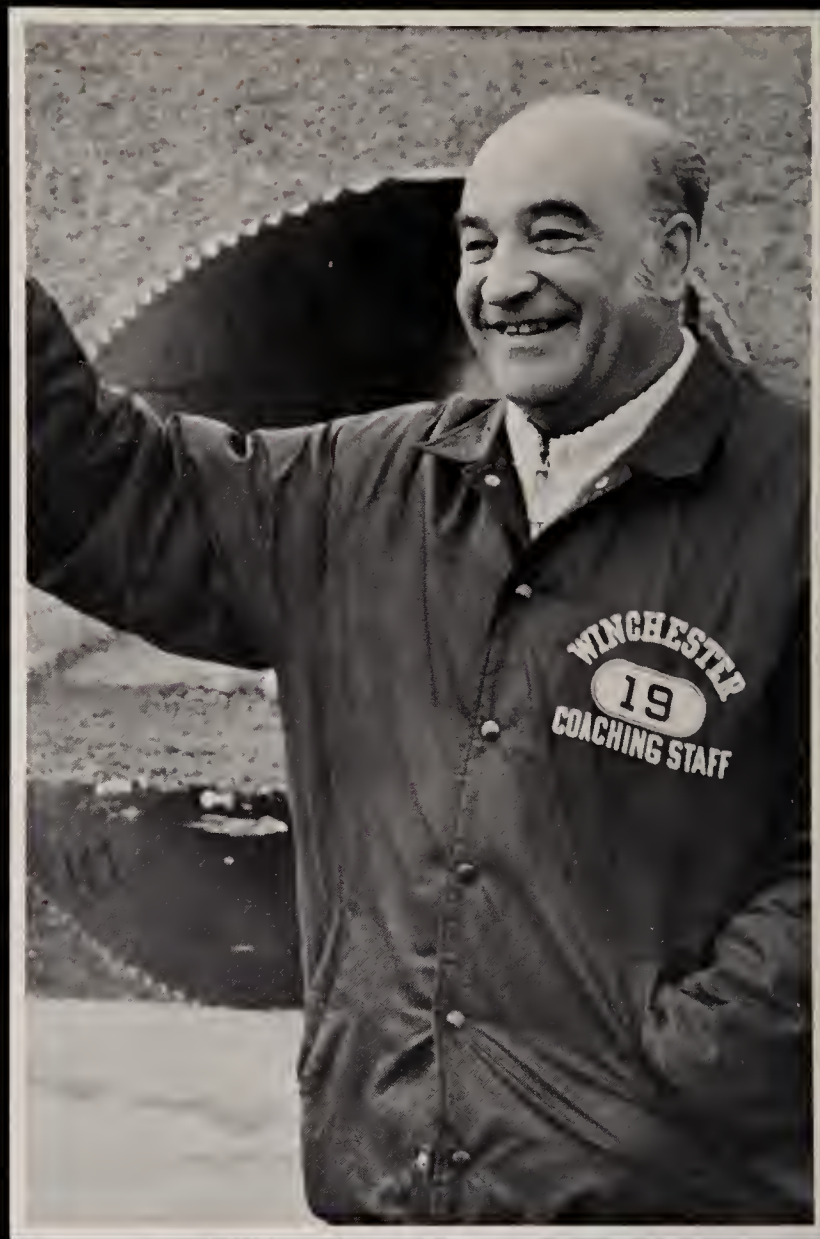

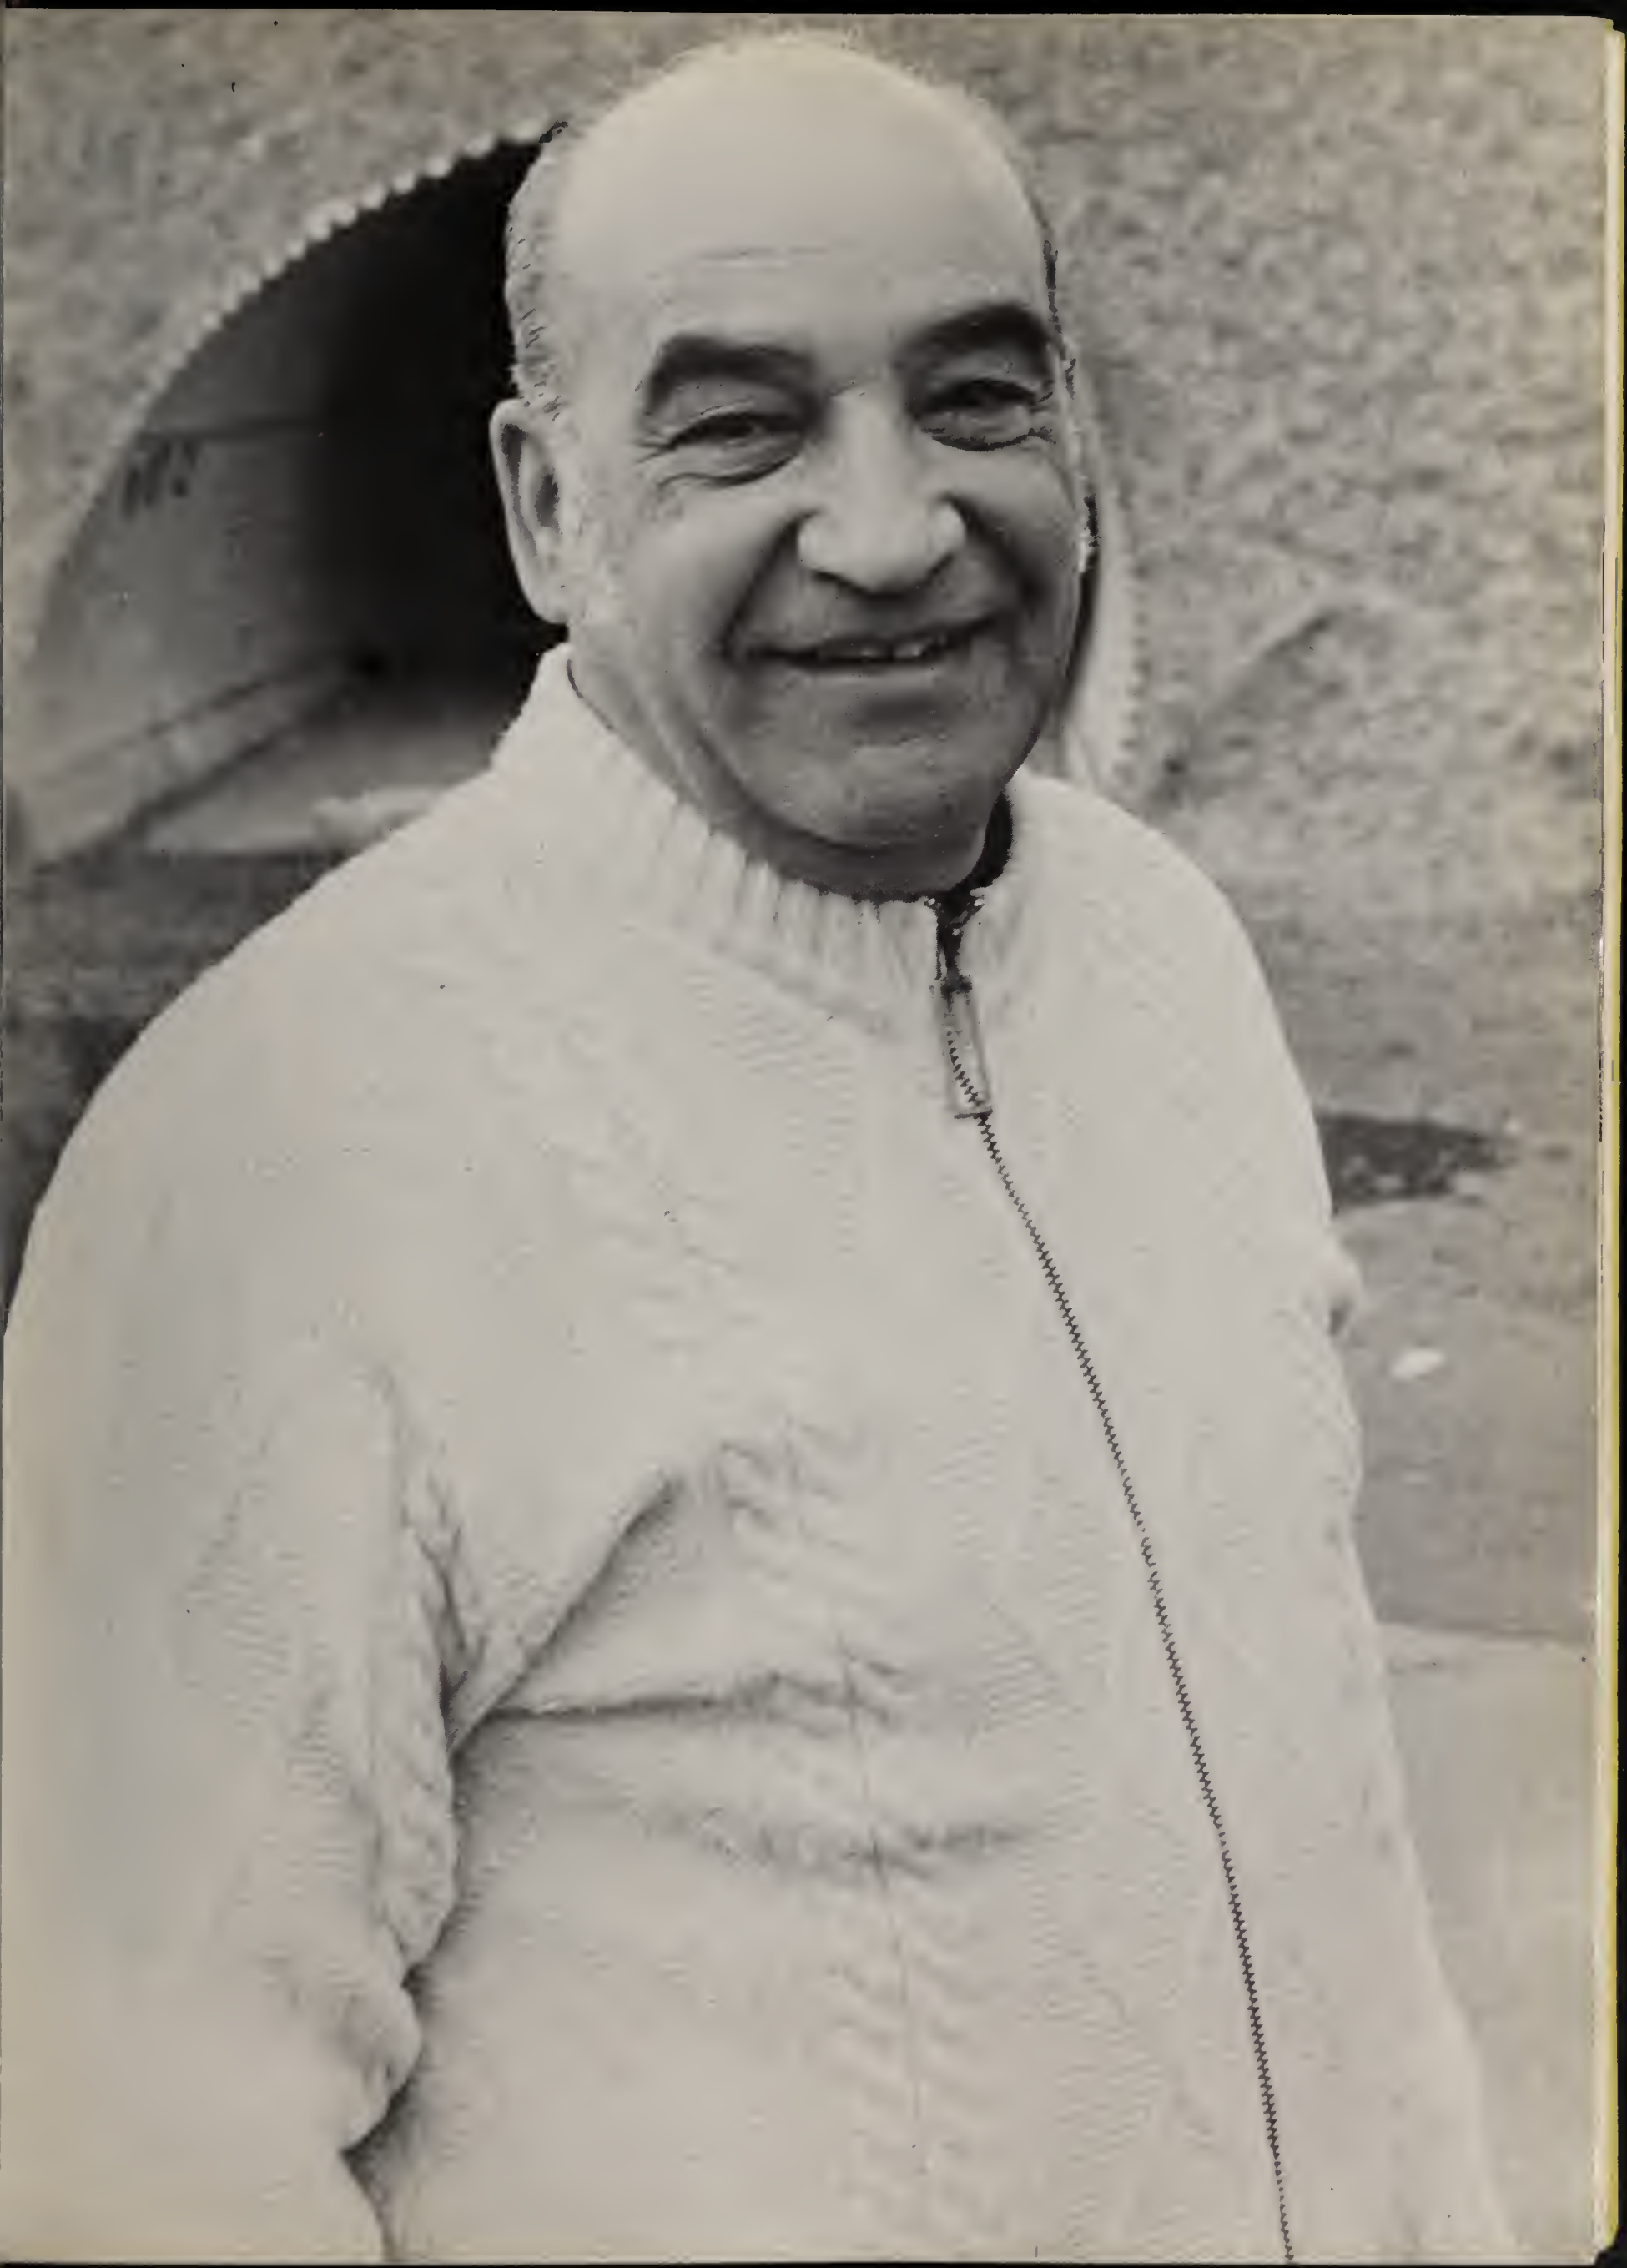

Dedication

Mr. Provinzano's association with Winchester sports goes back to his high school years when he was a star athlete in football, baseball and basketball at Winchester High, (1933-1936). After years of service to the Winchester School System as a teacher of general sciences, (1951-1961), assistant high school football coach, (1951-1961), high school baseball coach, (1958-1962), physical education instructor, (since 1961), and athletic trainer for the care and prevention of athletic injuries, (since 1961), "Mr. P" has become loved by the students.

For your service and your warm friendship, We, the Class of 1978, dedicate our yearbook to you,

Mr. Frank Provinzano.

I want to fly like a bird that flies, and travel with in the reach of time. To live like no one else has lived, and to know society has not struck me. To live among people who are themselves, and not pretend to be someone else. To live free and follow no one. To help and care and do what's never been done. To know my friends are truly mine, and to pray for peace in this world for all time. By MAMD

Class Will

We, the Class of 1978, being of sound mind and body (sort of), do hereby bequeath the following to our classmates and to those we leave behind, desolate without us, at Winchester High School.

We, the illustrious seventh period A.P. Biology Class, leave to "Coach" Burdulis one jokebook, with hopes that he uses it wisely.. Also we leave him a dozen frozen goldfish and a life-time membership in the Turtle Lodge of America.

I, Robert Astill, leave my mind to Winchester High School because this is where I lost it.

I, Jim Lombardo, leave: Mr. Soule a book of 101 half-decent jokes, Mr. Maloney a Gillette Trac II razor set, the custodians the clean-up job of my locker and the cafeteria a set of cookbooks . . . Air Mail!

I, Ernie Gerk Wazzeltooth, hereby leave Winchester High: Gazorks, Gazondriacs, Hazendriacs, Hazank, Dazell, Bazink, Heinrich Von Zipplewopp III, Framboosilation, Homoschulation, Azallard, The Brow, The Schnake, Fazoley, I can relate! It's like reality! — the strange phrases and weird nicknames of some Gazorks of the Class of '78.

I, Edith King, leave all the prints of my etching and my various woodcuts to Mrs. Atkinson and Mr. Walker. They can have them!

I, Steve Williams, leave every single no-name rookie that ever went thru the Radio Station to Dave Frary.

I, Kathleen Conley, leave my lunch table to anyone who can stomach it.

I, Paul Mahoney, leave to Noble and Lombi some morals, (and intelligence).

I, Tom Foley, leave "deadlines to meet" to next year's **Aberjona** staff.

I, Jean McCarthy, leave to Mr. Hall 3 F's, all of his Independent Chemistry books and the Favorite Teacher Award to do with whatever he pleases.

We, Europa, Goldie, and Atkin played, leave to Mr. Hall a full moon and the magic formula $(\text{Fu PH}_6 \text{EB}_6)_3$.

We, Barbie Slattery and Debby Arsenian leave Ms. Stoddard, coffee and donuts and a copy of **The Great Gatsby**! We also will Mr. Hall a one-way trip to "One or Two Things" during 4th period Chemistry.

We, Barbie Slattery and Liz O'Brien leave Mr. Hall a life-time subscription to **Soap Opera Digest**.

I, Diana Murray, leave a box of Twinkies and a peanut butter and jelly sandwich to Mr. Hall, and a copy of **The Iliad** Monarch Notes to Mr. White.

I, Cindy Howland, leave Amy Nastasi a bright purple sweater.

I, Chuck Govostes, will an **interested** class to Bill Penzin.

We, the upstanding members of the infamous FGAA, leave the tedious task of freezing goldfish to the future members of the association. For the good of science and all mankind, we leave our formulations and calculations to be used to improve the world of goldfish.

I, Jessica Fixler, do hereby bequeath to Mr. Cowgill my "Miss Clairol" hair dryer, which I obviously never use.

I, Barbara Stockwood, leave a bottle of aspirin and a lot of luck to those unfortunate future students of Mr. Marks.

I, Janet Anderson, leave the kola nut to the Class of '79 in Ms. Langley's drama class. De kola nut brings life, Dis is true. How you say in English? Dis is not important. I hope de kola nut brings death unto your family! Kolala Islands forever!

I, Kevin Gosselin, leave one bottle of Geritol, Saratan, Grecian Formula 16, and squeezed orange juice to Joe Cantillon; one Roman pillar to Ms. Ciccariello; and one 8-lane pool to WHS.

I, Glenn Mills, will a comb to Mr. Smith, all my worn out basketballs and sneakers to Doc, all my knowledge of Physics to Mr. Soule, and Burlington to Mr. Joyce (no one else wants it!)

I, Stephen Barrett, leave the Junior Class Peter Stackpole.

I, Patrick Kline, bequeath my beloved shoes, whose faithful service has helped me through many a day and night, to Martha who helped me walk in and out of many good and bad situations.

I, Wayne Maggio, leave one pair of dancing shoes, and a tutu to John Dellogratte in the hopes that he may some day have a use for them again at the New Horizon's Kiddie Camp in Sharon.

I, John Wolfe, leave Mr. Hall a toupee made of goat's fur, and Mr. French two drawers full of cut cards.

I, Laurie Vincent, leave Ms. Rufo an ankle in need of repair and a pair of barrettes.
 I, Gail Pasquale, leave to Ms. Rufo my hair on a frizzy day.
 We, the Tumblettes, leave Ms. Rufo the right music, for once.
 I, Emily Bloch, leave to WHS my sanity.
 I, Steve Johnson, leave Mr. Frary a platinum set of my autographed logs, (Revised); Mr. Aversa lost in time; my "gym stuff" to Hanchett, Chuck, or anyone else who dares to use it.
 I, Linda Nicholson, leave CTY the Roastbeef joke.
 I, Marshall Caggiano, leave Mr. Marks one cup of coffee from Randall's and Mr. Kelly a xeroxed copy of his second letter to his girl-friend.
 I, Gipper, leave a relatively high I.Q. score to Lombi for future reference.
 I, Karin Hrechdakian, will myself to anybody who wants me!
 I, Paul Selvitelli, bequeath to Dan Ryan a crew that's afraid of heights, two thousand bikes to Cowgill's garage, the lights to whoever can work them and the bill for two Bertha bulbs to Mr. Budrewicz.
 I, Pauline Lewin, will to Karin and Nancy a hair from Mark Hamill's chest!
 I, Nancy Dean, bequeath to Pauline Lewin my own personal, tried-and-proven dietary program.
 I, Tom Girard, leave Mr. Robertie one hundred thousand wooden donuts.
 I, George Casey, leave to Lee Hughes my Junior Prom date, because I know if they got together they could make beautiful music.
 I, Brian O'Connor, leave to Mr. Kline, ten free passes at Valle's Steak House for future hungry track stars.
 I, Danny Chen, leave to Lou Hodes an unclogged drain, and to Kim Nash a set of car door hinges.
 I, Louis Hodes, will Dan Chen one industrial strength pumache stumper.
 We, CTY, leave to Fee a lie detection test and good times with someone else!
 I, Jack Noble, leave to Hugo Lafauci one free pass out of Mr. Hillier's class to Mr. Budrewicz's office, good for three out of five days a week.
 I, Patricia Wells, wish to leave a thesaurus to my friends Jose, Lance, and Rafeal. I also wish to leave Mr. Cowgill a dedicated accompaniest.
 I, Robert Krueger, leave to the teachers and classmates lots of love and appreciation for being part of my high school years.
 I, Thomas Errico, would like to leave a four year supply of potato chips to Mr. Joe Aversa, and upon my return after college we shall settle on a price!
 I, Mark Mulvaney, leave my cleats to whoever took them!
 I, Barbara Redmond, leave Mr. Swallow my rubber band and my safety glasses so I will **bee** protected.
 I, Jan Oehm, leave my Mickey Mouse sticker to whoever has my locker next year. I leave my #5 shirt to Mr. Cantillon in hopes that he will permanently lose it. I leave the job of "exercise leader" to Andy and John.
 I, Margareta Fopiano, leave the costume room of Curtain and Cue to anyone who is willing to face messy actors and actresses.
 I, Kim Bacon, leave to Mr. Cowgill the morning warmups, which include such famous exercises as the five note scale (na,ne,ni,no,nu), the octave jump (no-oh), and singing songs on "DO."
 I, Jean Tartarini, leave all my math to Mary.
 We, the members of "Zinc" (George Surabian, Mark Carzo, Steve D'Onofrio, Steve Ferullo), leave the following items to the future Gong Shows: two broken guitars, one synthesizer (what a gem), 6,000 amps, one drum, two drumsticks, and a partridge in a pear tree.
 I, Kenneth Gosselin, bequeath a quiet, secluded, padded wall at California State Hospital to Ms. Martin for "Barnacle" practice; the state of North Dakota and a Kibby to Mr. Provinzano; and all the complaints and sarcasm I was not able to bestow upon Paul Simmons concerning his ten month stint as editor (choke) of the Red and Black.
 I, John Lowell, leave with pleasure.

Getting Better

It's getting better all the time
I used to get mad at my school
The teachers that taught me weren't cool
You're holding me down, turning me round
Filling me up with your rules.
I've got to admit it's getting better
A little better all the time ...
Man I was mean but I'm changing
my scene
And I'm doing the best that I can.
I admit it's getting better
A little better all the time ...

Our Bride

An integral part in the education of many of us has been participation in sports. With a wide variety of opportunities at WHS, we were able to compete in athletics for enjoyment, exercise, and accomplishment. In trying our hardest we've lost and we've won. We have learned something in our efforts, and we are proud of our achievements. Our achievements are due to the support and encouragement of our coaches and the support of the **Sachem Spirit**. And our special thanks go to our dedicatee, Mr. "P."

Bouley's
Booters

The Soccer Team had the best season in recent years. Though we lost many players to injuries and other reasons, we carried the team to a 9-4-5 record and to a place in the state tournament. Furthermore, thanks to Coach Bouley, everyone had a chance to take part in our successful season. Good luck to next year's team and next year's captains: Bubba Sanford and Willie Strazullo.

Field Hockey

This year's field hockey team didn't have a very successful season, but we sure had a good time! Memories include: Shaun Cassidy and "That's Rock 'n' Roll", "We are the champions . . ." "Russo is a re-re", "Evans is a loser", "Shine on, shine on harvest moon", Libby's ruffles, Tommy and Toby, Smudge and the bean bag, Get rowdy, get psyched! We have to win — we want to go to Brigham's! ITSTSG — the "s" is for sophomores — not seniors! Let's teach the sophomores how to sing the songs right. Breakfasts — "Stay in your cars and don't get rowdy on the way to school." Camp: transie and the Bay City Rollers, Congrats, Mrs. Harvey and good luck Miss DiPetro. Good luck also to next year's team and tri-captains Nella Barrow, Kathleen, and Beth Noble.

Although the Girls' Swim team did not have the outstanding season that they always hoped for, they did pull out a winning season of 5 wins and 4 losses, in spite of the difficulties they encountered finding pool time. The win-loss record does not begin to show the outstanding spirit and dedication that was seen in this year's team. A special thanks is extended to Coach Vin Palumbo, whose tremendous effort succeeded in turning a group of girls into a team.

Memories include: Packed in Mr. P's car — 8 in a Pinto?, I was in an accident, "How're you getting there?!" ... "Where are we swimming today?" ... Breakfasts, and three loners at I.H.O.P., Lynn's whoopee pies, Mac's ... Lisa's party ... Dunkin' Doughnuts, ... The drive to and from practice — Chinese fire drills ... "Theresa, Buck up!!" "Where are we swimming today?!", "Let's have an easy practice!!", "Who's swimming the 500!?" ... "Let's make a deal!", Doughnuts on the bus, watermelons ... and all of the good times. Good-bye to the captains, Lisa and Bitzer, and all of the seniors — Good luck in the future.

Action '78

Action '78 has had a very active year. In September we staged a hunger strike for Oxfam and in December, Action sent a delegation as the nation of Spain to the Harvard Model United Nations. We also sent a Model U.N. delegation for the United Kingdom to the National Model United Nations in New York. We thank all those who made our year successful, especially Ms. Nettle, our advisor.

 Deux femmes ont tout a l'heure passe.
 Leurs yeux sont marts et leurs levies sont malles,
 Et l'on entend a peine leurs paroles.

 Deux spectres ont evoque le passe.

 -Pourquoi voulez-vous donc quil m'en sou-

 -Lon coeur bat-il togours a man seul nam?
 Loujours vois-tu man ami en revi? -Non.

Italian Club

Ciao, The Italian Club was very successful this year. We sponsored a bake sale at Christmas and donated the profits to the "Home for Little Wanderers." Our holiday parties were always fun, especially when we celebrated them in an Italian atmosphere! The club sponsored a hypnotist in the spring, and a fair that brought back the times and memories of old Italy! A special thank-you is due to all of the members who helped out in our activities. We also give a very special "**gracias**" to Ms. Mancini for taking so much of her own time to help the club and for making it what it is today!

Officers: Ada Pollino, Mary Gattineri, Joe Piantedosi.

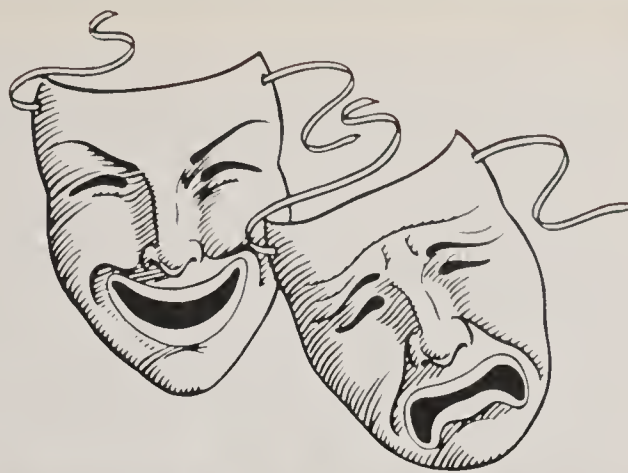

Curtain and Cue

Dear Adolphe,

The love affair is over, I'm afraid. The feather boa, the secret door, the passionate love scene, the mixed-up masurka, the oil crude, and Dickie (of course!) are all over. But they are not gone. Chaillot and Curtain & Cue are still alive. Long live Oscar Wilde and Kate and the nerves of competition! The time has been spent giggling and fighting and meowing and dancing and so on and so on. Need I say more? The romance will continue with the new but we'll still be around. But now my bones are ready and I must be off. Aurevoir!

Band

Hey, let's have a breakfast! You're all a pack of mad-dog drivers. \$%!# Swill, it's raining, again. Well guys, I think we did a Die-no-mite job in the Melrose show — BOMB! ROCKY! Party ... now? It's only 6:30 — A.M. Mr. B. is burning. You're late — so, who wasn't? Can't wait for the Exchange Concerto #3 — New Jersey here we come! FOOTBALL, you bet! One, two, three ... yah Murray — it's a T-down! Toss that Pigskin. Oh no, it's another romance. Who now? Shove your mouthpiece up your bell, please. We really all Love each other — Band groupies are habitually brownies, sure you're the worst! I still think I beat 'Red in the shirt of the day contest. Losers, Brass v. Woodwinds softball match 1978 — can't you kiddies count to four, All together now: 1-2-3-FOUR! Play it again Sam! It's been real ... Fun.

Pep Squad

Saturday Football Games – “Let’s get Rowdie!” and “Aw! Who said that?” Who’s making posters next week? – Victory Cruises through Woburn Center and a Brigham’s Vanilla Frappe! Saturday night Victory Parties. Turkey Day 22-7. “WE WILL, WE WILL BEAT YOU!” Many warm thanks to the WHS Band, Cheerleaders and Football Team for a very rewarding season. Special thanks to Mr. Marshall, Mr. Colella and Mr. and Mrs. Constantine for all their time and help. This year’s seniors and Co-Captains would like to extend the best of luck to next year’s Pep Squad.

Keep up the Super Sachem Spirit!

Spanish Club

Hola! This year the Spanish Club was very successful with over 100 members signing up. We had alot of fun doing different activities such as the Halloween party, International Fair, the movie Cria, etc. Miss Alvarez and Mrs. Click have been a great help to us and we all want to thank them very much. Hasta luego y tendra Ud. un buen ano.

Back Row l. to r.: Pablo Rodriguez — Vice-President, Lisa Patterson — Secretary, Amy Nastasi — Secretary, Ellen Dillon — Secretary. **Front row l. to r.:** Joe Flynn — Treasurer, Janet Anderson — President. Debbie Arsenian — Vice-President, Carolyn Lacey — Treasurer, Diana Murray — Secretary.

German Club

We of the German Club have all been very glad that German has been reinstated into the curriculum. Activities planned by the German Club and its leader Frau Austin have been successful and enthusiastic. Such activities have included an Oktoberfest, German Christmas caroling, German plays, and German lunch excursions.

The two German classes have been made interesting and fun thanks to our teacher Frau Austin. She has taught us many useful phrases such as "Nimm dein' Hand von meinem Bein du haarige Affe" (get your hand off my leg you hairy ape) and in answer to "Wie geht's?" (How's it going?) "Wie eine Gans aber nicht so wackelig" (like a goose but not so wiggly). Many of the songs she has taught us have also proved to come in handy such as "Ein Prosit," the notorious beer drinking song.

We are looking forward to next year's German classes and the possibility of an exchange program with German students.

Standing: Jane Landry, Vice President.

Craig Bradley, President; Emily Bloch, Treasurer; Donna Senna, Secretary; Ken Carlson, Vice President.

Student Union

This year's Student Union was energetic. There was strong organization and an increased commitment among the members. The committees were active and had many dedicated members. There were the traditional Sophomore, Junior, and Senior Class committees, along with many new additions such as the Civic Committee, the Student Advisory Committee to the Principal, and the Public Relations Committee. All of the students were involved in the decision making, and Ms. Randee Martin, the advisor, led the Student Union to different ventures. Several members attended a model Congress with Ms. Martin in March. This was a valuable learning experience as well as an enjoyable one. The words that describe the Student Union of 1977-1978 are "concerned and active."

Latin Club

SALVETE AMICI!

The Latin Club has finally been established at Winchester High School! It was a great year! There were lots of parties, field trips, activities, good times, and fond memories. We'll remember: When are we going to Tunisia? "NIKIL PUELLAM LARDAM AMAT, SED O! PUELLA LARDA AMARE POTEST!", "AGRICOLA POPCORNUM COLIT!", "As you can see, the sap is running!", The Saturnalia Party, "You mean you've never had figs?", "How do you tell a ripe fig?", Ripley: Believe it or not, O SIBILI SI ERGO ... AMEMUS IT FACAMUS! (ITA, ITA, ITA ... !), DA ME OSCULUM LATINA LOQUOR!, UXOR MEA EST!

Officers, first row: Elizabeth Hitchcock — Treasurer, Terry Kirk — Vice President, Ms. Cicariello — Adviser, Michael Cheatham — Vice-President, Kenneth Gosselin — Vice-President.

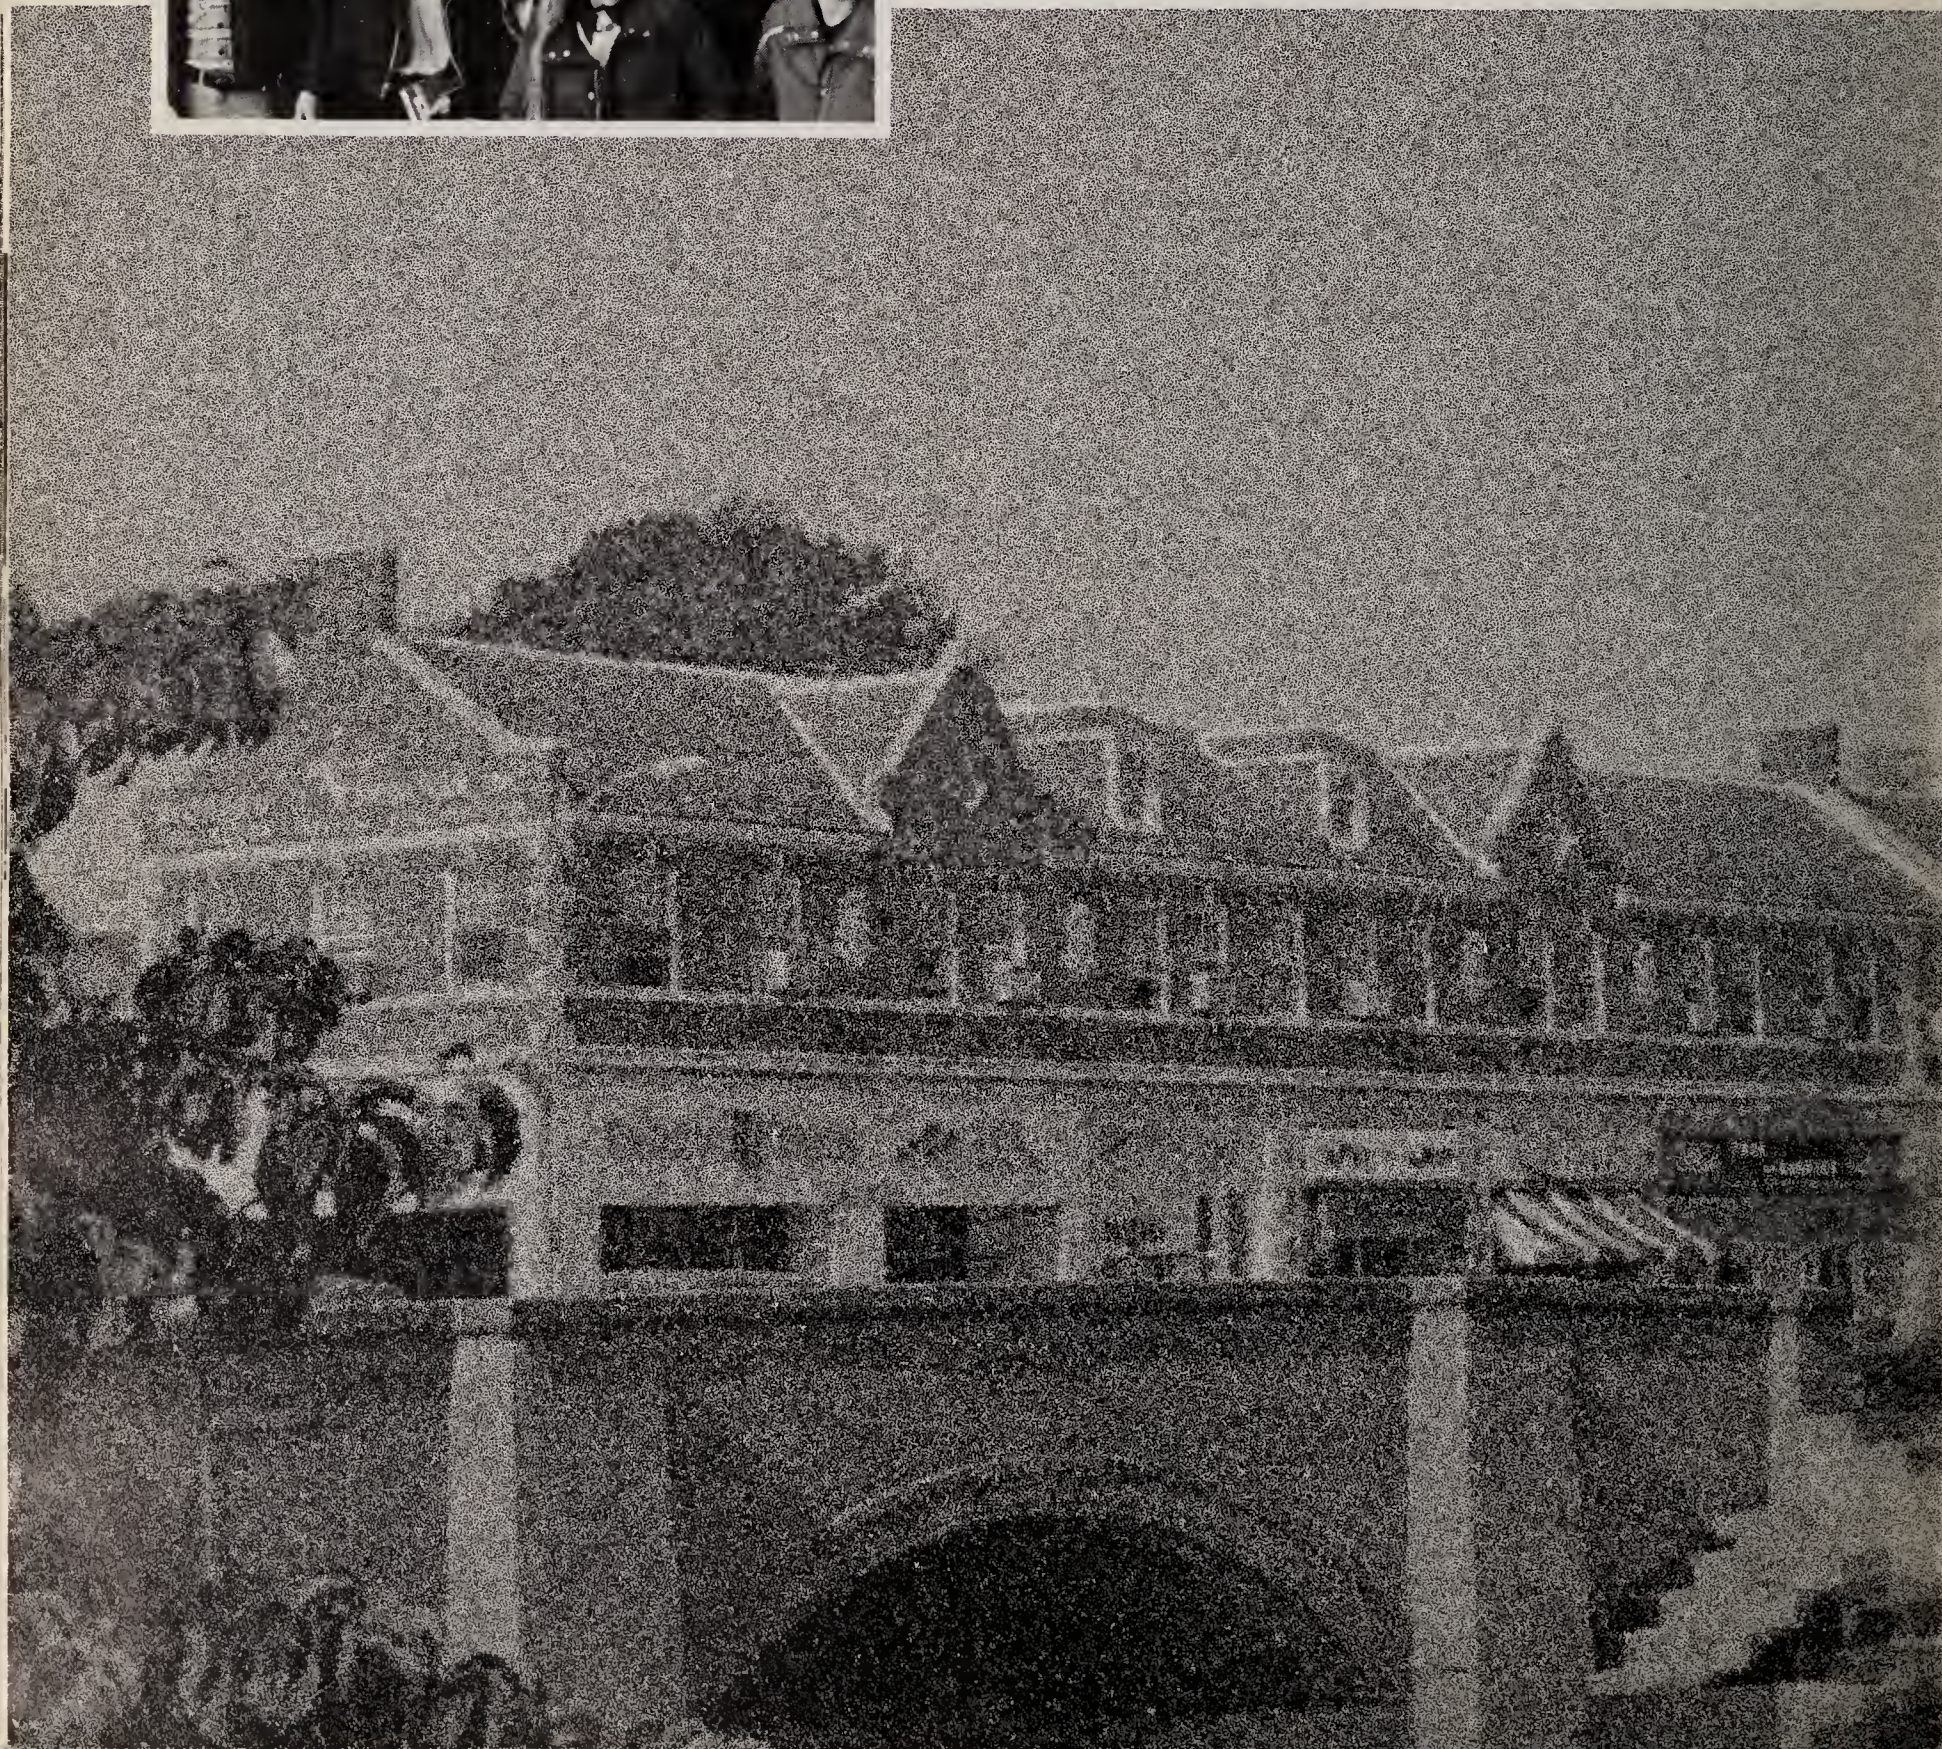

Our Friends

Since our yearbook is a self-supporting publication, we depend greatly on the financial support of the community. This year our diligent advertising staff canvassed the area and received a record amount in funds. We are sincerely grateful to the businesses and organizations for this support. We also asked the parents of seniors for contributions. The response to our letter was incredible! We received more than twice as much money in parental donations than we anticipated. We thank you, friends, for your generous support.
